RECOMMENDATIONS

CONSULT with the attendant at the transfer station,
before dropping off materials.

DO NOT place household garbage curbside until the evening before,
or preferably, the morning of pick-up day, before 7:00 a.m.

**USE a suitable container with lid for household garbage,
with a clear plastic bag liner.**

A container is to weigh no more than 40 pounds.

Items for pick-up are to be placed curbside at the resident's property only.

**FAILURE TO COMPLY WILL RESULT IN A PENALTY
PLEASE DO YOUR PART: KEEP OUR TOWN & VILLAGE CLEAN.**

RECYCLING AND GARBAGE REGULATION
*******USE CLEAR PLASTIC BAGS*******

- GLASS:** Rinse your GLASS food and beverage containers. Remove the caps and neck rings. You do not have to remove labels. Do not include glass items with metal such as light bulbs or other non-glass material.
- PLASTIC:** Remove the caps and neck rings from PLASTIC food, beverage, and household containers. Rinse. Flatten if you wish. You do not have to remove labels. **Do not** include plastic items such as plastic caps, styrofoam containers, oil containers, plastic bags, six-pack holders, medicine bottles. Containers with #1 or #2 on the bottom are recyclable.
- METAL:** Rinse out your METAL food and beverage containers. You do not have to remove labels or flatten them. Do not include other metal materials such as bottle caps, oil paint, pesticide or aerosol cans, or hangers.
- PAPER:** Slide your NEWSPAPER and inserts into a paper bag. You may tie in bundles with string only. Keep clean and dry. Do not intersperse magazines, junk mail, glossy print, etc. These are garbage. Magazine and books can be bundled separately, or placed in garbage.
- CARDBOARD:** Flatten your CORRUGATED CARDBOARD, and tie it up. Keep it clean and dry. Do not include other types of cardboard such as pizza boxes, cereal boxes, milk cartons, egg cartons, etc.

HOUSEHOLD GARBAGE must be in **clear bags** – to make it possible to inspect for materials that should be recycled. **NON-RECYCLABLES:** To be discarded with household garbage.

“IF IT’S NOT RECYCLABLE, IT’S GARBAGE”

The transfer station has areas for **Construction Material (C&D)**. This will not get picked up.

GREEN WASTE: Includes grass clippings and leaves (in separate bags) can be brought to the back of the town hall property on Rte. 8, (to a compost area). The Town will not pick this up.

BRUSH: All brush is to be taken to a designated area down Elm Lake Road behind the tennis courts. The road to the gate will be open May 15th.

MAJOR APPLIANCES, LARGE HOUSEHOLD FURNISHINGS, TIRES & SCRAP

METAL: Can be brought to designated area at the transfer station, or be picked-up curbside on certain designated “CLEAN-UP DAYS”. Dismantle appliance, so it will not be a public hazard. Sort wood and metal. All rims off tires.

HOUSEHOLD HAZARDOUS WASTE: Batteries (including automobile), oil-based paint cans, pesticides, petroleum products, etc., shall be placed in a **separate** suitable container, and can be picked up on “CLEAN-UP DAYS” or brought to a designated area at the transfer station.
